

Dear future colleague,

**Are you an experienced young embryologist who enjoys working independently in the IVF lab and wants to help build something special in Graz?**

We at **ReproCreate Kinderwunschlinik Graz** are looking for a **part-time embryologist (31 h/week, 6 hours per day, 5 days/week)** to join our small, supportive team.

Learn more about us at: [www.reprocreate-kinderwunsch.at](http://www.reprocreate-kinderwunsch.at)

### Your profile

You

- have at least **3 years of hands-on experience** in an IVF laboratory: egg retrieval, sperm preparation, fertilization assessment, embryo evaluation, cryopreservation, **ICSI (especially ICSI!)**, assisted hatching.
- ideally bring experience with **trophectoderm biopsy**
- hold a **master's degree in biology** or a related field (ESHRE Certification is a plus, or you are willing to obtain it)
- are **proficient in English** and ready to **learn German quickly** (no German needed at the start)
- enjoy teamwork and taking responsibility in the lab

### With us, you can expect:

- A **net salary** of 2,400 EUR for 31 hours/week (part-time; 6 hours per day, 5 days/week), equivalent to 48,000 EUR gross per year.
- **13th and 14th salaries** that are taxed very favorably
- An **open-ended contract** after the first year and flexible, family-friendly working hours
- A **supportive, harmonious and well-coordinated team**
- **Excellent work-life balance** in one of the most beautiful cities in Austria, close to Italy
- A modern fertility center that has existed for **3 years**, shows **excellent results**, and is continuously **growing**

**If you feel this could be your next step, we would be very happy to get to know you.**

👉 Please send your CV and a short cover letter to

**magdalena.dosen@reprocreate-kinderwunsch.at**

We look forward to hearing from you!
